Hi Cynthia,

I have put together my PPT for this Thursday. Was wondering if you have a few minutes to spare to discuss.

Hi Mark,

In case you are interested as well. (or can find the time?)

Thanks
Mike

Hi, Mike.

I couldn't find the PowerPoint I told you about, but I think this may be what I actually saw. I think it would make a good series of slides. If you used the arrow to identify each step and then had a few bullets for each one, it might work. I'll keep looking, but I have to head out now.

Cynthia
